

ARKANSAS (Sen. Boozman and Cotton)

Current Condition of Transportation:

- 20% of AR's major roads are in poor condition¹
 - ASCE grade D+ ²
 - Driving on roads in need of repair costs Arkansas motorists \$187m a year, or \$461 a year per motorist³
 - 483 lives were lost on the state's roads in 2013⁴
- AR's population increased by 26% from 1990 to 2013⁵
- 39% of Arkansas's major urban highways are congested⁶
 - Congestion in America costs motorists \$121b annually in wasted fuel

Current Condition of Commerce:

- Each year, 83% of the \$102b worth of commodities delivered annually from sites in Arkansas is transported by trucks on the state's highways⁷

Need for Federal Investment:

- 70% Federal share of AR Highway Capital Program⁸
- National Interstate Backlog of \$185.24b on 47,575 miles of interstate.⁹
 - National Highway System (NHS) backlog of \$424.5b on 227,224 miles of the NHS.

DRIVE Act ➡ *What this does for Arkansas*

Prioritize bridge reconstruction and safety:

- Increased bridge set aside funding for:
 - AR's 861 structurally deficient bridges¹⁰
 - 22% of AR's bridges are structurally deficient or functionally obsolete¹¹
 - Current ASCE grade of C+¹²

Improving Commerce:

- In the first 3 years of the DRIVE Act, AR will receive \$58,635,848 in addition to growth of the existing programs for freight.
- Prioritizing federal spending on the interstate for projects of national economic interest

Long-Term 6-Year Certainty:

- Total share for first 3 years of DRIVE Act: \$1,619,237,570 that the state would not get otherwise.
- 220 projects at risk without proper federal investment¹³
- Major Projects in jeopardy:
 - **Monette Bypass:** proposes to complete the paving of an approximately 3.5-mile, four-lane Highway 18 bypass north of Monette¹⁴
 - **White River Bridge**¹⁵: under construction since 2010 at a cost of \$34.1 million, is being built south of the old bridge¹⁶
 - **Street Overlay Program**¹⁷: a major annual highway overlay program that repairs road surfaces has been delayed do to uncertainty of federal funding¹⁸
- Building off NEPA reforms accomplished in MAP-21, DRIVE is cutting red tape and accelerating project delivery to increase AR's ability to efficiently finish projects.
- DRIVE delivers 6 years of certainty. 12 short term extension since SAFETEA-LU have impeded on AR's ability to properly plan and budget for transportation projects.
- DRIVE gives AR the ability to prepare for the next 50 years. With a focus on innovation, AR can better deploy technology to improve the state transportation network.
